Re: Annual Inspection of Curtis Pond Dam

Dear Chair:

Enclosed is our June 1, 2010 inspection report on the Curtis Pond Dam.

The inspection was conducted under provisions of 10 VSA, Section 1105. The report outlines the conditions of the dam, recommendations for surveillance and Maintenance, and information about the jurisdiction of the Department under the statute on dams (10 VSA Chapter 43).

Please contact us if you have any questions on the report or recommendations.

Sincerely,

Stephen Bushman, P.E.
Dam Safety Engineer
