Enclosed are reports of our June 6, 2014 inspections of Curtis Pond Dam, owned by the Town of Calais.

The inspections were conducted under provisions of 10 VSA, Section 1105. The reports outline the condition of the dam, recommendations for the owner, and information about the jurisdiction of the Department under the statute on dams (10 VSA Chapter 43).

Please contact me if you have any questions on the report or recommendations.

Sincerely,
