Money appropriated through the Department of Buildings and General Services

H. 767, No. 121 Sec 10

(2004 Capital Construction Bill or the 2004 Capital Construction Act)

Effective June 8, 2004

(n) Curtis Pond.

(1) The state of Vermont through the department of forests, parks and recreation owns property on the southern end of Curtis Pond in the town of Calais which is used for recreational boating access to the pond.

(2) Serious deterioration of an existing, historic dam located on Curtis Pond poses an imminent and significant hazard to properties adjacent to and downstream of the pond.

(3) The sum of \$20,000 is appropriated to the department of buildings and general services for the town of Calais as the state's contribution toward the stabilization of the existing dam on Curtis Pond by extending the outflow pipe and backfilling with rip-rap or the construction of a new dam.
